

Training is
under
Volunteer
Resources

As of March 16th 2026, all PAOC Volunteers must complete online training required by NYS Agriculture and Markets.

The training is on the ASPCA website

New York State Companion Animal Care Standards Act Training

The [New York State \(NYS\) Companion Animal Care Standards Act](#) elevates the care for cats and dogs in sheltering organizations across NYS.

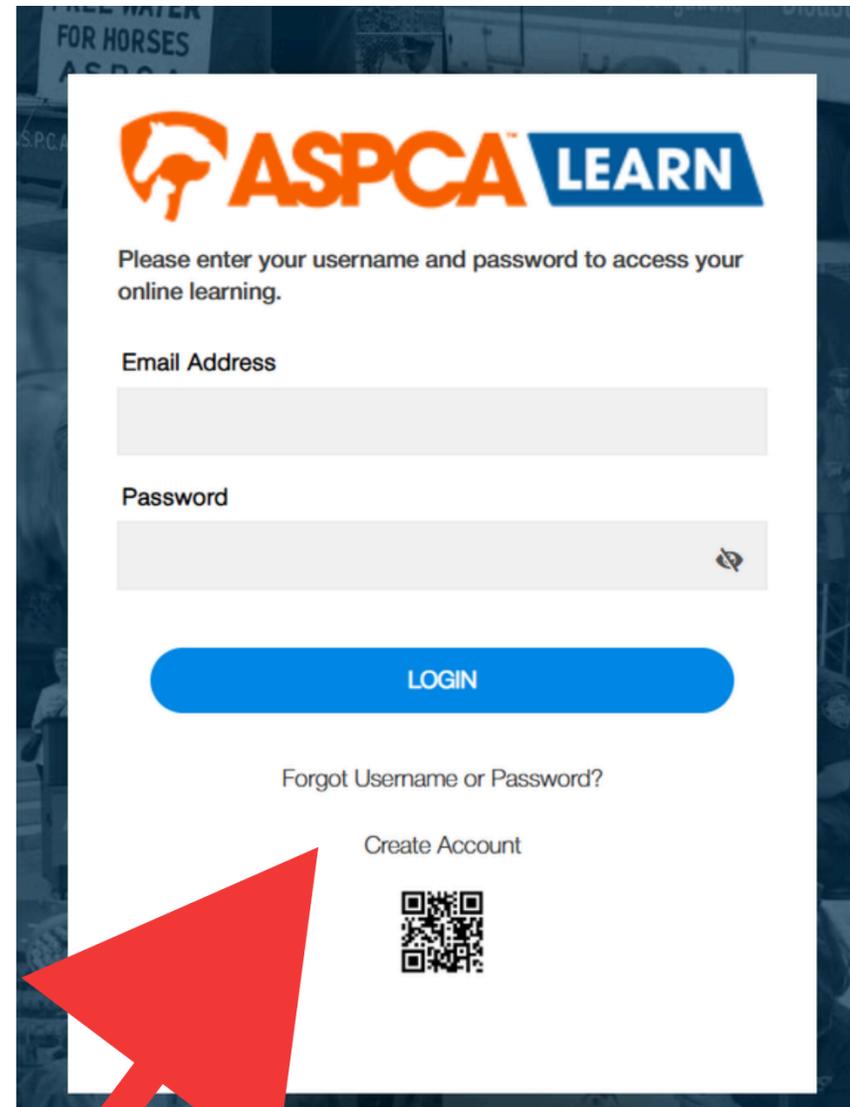

Modules in ASPCA Learn's, NYS Companion Animal Care Standards Act training course provide information pertaining to the training topics specified in the "Personnel Training Requirements" section of the law (Section 422). Such training will be helpful to staff members and volunteers who have direct animal care responsibilities.

How to Enroll

- [Login now](#) or [create an account](#), then search for the series in the content library or come back here and use the direct links.
- Mobile browsers are not supported. Get the free Litmos app for [Apple](#) or [Android](#)
 - [Use this guide](#) to navigate the app.
- Does your team need an easy way to assign and track completion of this training?
[Learn more](#) or [you can use ASPCA Learn For Your Team](#).
- Find support in the [FAQ](#) or [email us](#).

The screenshot shows the ASPCA Learn user interface. At the top, the ASPCA LEARN logo is on the left, and navigation links for HOME, CONTENT LIBRARY, ACHIEVEMENTS, and LIVE SESSIONS are in the center. A user profile icon with the initials 'HG' is in the top right. Below the navigation, a welcome message reads 'Welcome, Harleen Grewal'. A 'Course Spotlight' section features 'New York Comp Care Standards' with a 'GET STARTED' button. A central modal window is open, displaying a welcome message and instructions. The modal includes a 'CONTINUE TO MY DASHBOARD' button and a checkbox option to hide the message. At the bottom, there are sections for 'My Training' (with 'In Progress' selected) and 'Training Metrics'.
